Fundraisers

The Explorers club donated \$500 to the Ralph Connor Memorial United Church building fund last Sunday. The girls had raised the money through their projects, including sales of a cake-decorating book they had made up.

"Uplifting experience"

Ralph Connor Memorial United Church was raised on jacks and lowered onto a new foundation last Monday. The work is part of a \$200,000 construction project, which is partially funded by a NEED grant. Photo by Jill Green.

Canmore explorers hold ceremonies

By Mrs. Laura Davis
Canmore Explorer Leader

The Canmore Explorer group of the United Church held their Graduation Banquet and Closing-Star ceremony on May 25th.

Invited guests were parents of the Explorer girls and Rev. and Mrs. Bill Thwing.

The Junior Explorer girls receiving their stars for their term work were: Kim Algeo and Morgan Lawrence.

The second-year Explorers receiving their stars for their term work were: Marla Arneson, Kim Cook, Tara Saunders and Tracy Shuttleworth.

One Explorer girl, Tanya Cook, received her term star and graduation certificate.

Congratulations go to all the Explorer girls who have worked hard all year to attain their goals.

The explorer leaders would like to thank all the parents who have helped the group in any way over the past year.

The Chief Explorer girl, Tara Saunders, on behalf of the group and leaders, presented Rev. and Mrs. Thwing with a thank you and farewell gift from the Canmore Explorers since they are leaving the community.
